ED'S LETTER

club DVD 8.2

We've been starved of British success on the world scene recently. Flash back a few years and Angel Long, Alicia Rhodes, Ashley Long, Poppy Morgan and Isabel Ice were setting the US gonzo scene alight. So thank fuck for Samantha Bentley. Check out her interview on page 28 and you'll see why she's the girl who can put UK porn babes back on the map. That, and all the usual stuff you know and love...

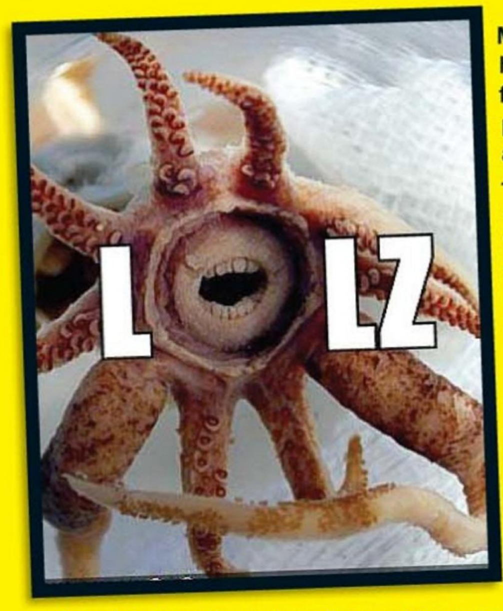
SMOO NEWS

FROM THE WEIRD WIDE WORLD...

SQUIDDY PORN!



Most of us don't have to forage for food or dodge predators straight after bonking – unless you mean stumbling to the fridge for a tinnie while avoiding disapproving flatmates. So spare a thought for the humble squid whose marathon sex sessions leave them so exhausted they're incapable of anything. Researchers in Australia found that southern dumpling squids' typical mating routines involved multiple partners and lasted up to three hours – kind of like a Ben Dover movie. Squid are so shattered after sex they can't eat, have to camouflage themselves in the sand to avoid predators and may even have shorter life spans as a result.

GETTING MA-LAID!

A loyalty scheme at a car wash in Malaysia provided customers with free sex on their tenth visit. That sure beats a bottle of anti-freeze. Police say the business in Kuala Lumpur had a deal with a local massage parlour and customers who had their car washed nine times in a specified amount of time were entitled to sex. So it wasn't just the cars getting their bonnets polished.

EGYPTIAN LOVERS!

For those who find it difficult to get a stiffy in bed, maybe Egypt should be your next holiday destination. The "Farewell Intercourse" Bill, to be put up before the Egyptian parliament, allows husbands to have sex with their wives up to six hours after death. Theoretically women would be allowed to do the same, presumably using a splint. Sources in Egypt have since denounced the story as a "complete nonsense" but an Egyptian TV newscaster said it was "a catastrophe".

GEEKS CORNER! WITH JOEL

You wait ages for a classic film to be reissued on DVD and suddenly two appear at once – Studiocanal score a double coup this April – not only do they premier Joel and Ethan Coen's *Blood Simple: The Directors Cut*, they also give *Evil Dead II* the Blu-ray treatment! The small town noir *Blood Simple* was the Coen Brothers' debut and this bleak tale already has their hallmark mix of stylish violence and mischievous wit, as a night-club owner's plot to murder his wife and her lover goes horribly awry. With classic character actors Frances McDormand and M. Emmet Walsh, this Director's Cut edition features tighter editing and finally resolves a long-standing rights issues with the music – at last the Coen's true vision is available on DVD! Sam Raimi's *Evil Dead II* was a gory cult hit in 1987 and finally gets the Special Edition subtitle in its first outing on Blu-ray. With B-movie stalwart Bruce Campbell at the helm as hero Ash hoping not to end up dead by dawn and survive a night of possession in a woodland cabin cursed by the nefarious Book of the Dead – if you've never seen this deranged splatterfest now is the time!

LETTERS

Dear Club DVD,
I was browsing through my latest issue when I couldn't help but notice the close-up photo you included of your model Dorothy's bumhole. Now, I don't normally feel the need to write in about girls' bits, but it was exactly the same colour as the rest of her skin, and I've been left wondering since if porn stars bleach their arseholes? It's not something I've thought about before, but I haven't stopped thinking about the subject since.
DW, Busby

Well, DW, your letter certainly caused a reaction in the *Club DVD* offices, with all manner of bumhole debates going on. As we are obviously not young, female models ourselves, we got on the Batphone (rather than Commissioner Gordon, ours is connected to nubile fuckbunnies, you'll be pleased to hear) and asked resident minx, Karina Currie: "Of course some pornstars bleach their arses! If the skin tone is particularly uneven, it simply looks better if the area is one colour. Although, it isn't just pornstars these days, you know, lots of 'normal' women do it too!"

Dear Club DVD,
Although I've been an avid reader for many years now, the cover of the last issue [*CDVD 8.1 – The Ed*] was a winner. So much so, I nearly reached for it on the shelf in my local newsagents, despite having a subscription! Your covergirl Jenny is absolutely gorgeous! You mention inside that she's a glamour model, but I have to admit to never having heard of her. Do you happen to have any info on her? And please, please tell me that you have more photos of her to follow!
Mr. White, York

We are very glad you liked the last cover, Mr. White, and Ms. Laird in particular. She's a firm favourite, here at the office! We can tell you that the Brummie babe is 5'3", boasts 32DD-24-32 curves, has hazel eyes and size 5.5 feet and is a youthful 24-years-old. And, yes, we can confirm that we have more photosets of the beautiful Jenny coming up in future *Club DVD* issues, so keep your eyes peeled!

Dear Club DVD,
I love porn parodies as much as the next man, but *The Smurfs XXX*? Really? Looking at the photos, I couldn't even begin to think about whacking off! Please tell me that the lead girl has fake ears on, too, 'cause they're fuckin' huge!
Brainy, via email

Yeah, we weren't too sure about This Ain't The Smurfs XXX at first, either, Brainy, but it's amazing what you can actually jerk off to! Especially when non-smurfy fox Nicole Aniston looks as dirty as she does, with man-fat dripping off her delicious chin! Oh, and we can absolutely confirm that Lexi Belle, A.K.A. Smurfette, wore fake ears for the set, thank fuck!

Dear Club DVD,
Wow! Daisy Rock is my kinda chick! She's got a fucking awesome body with great tits and knows what she wants out of life, which is a huge turn-on to me. I was interested to read her sex tips and apart from the working out bit, I've been trying them out on my missus, with great success! Plus, any bird that started her porno watching with *Debbie Does Dallas* and *Animal Farm* is alright by me!
Simon, Rochdale

Yeah, we love Daisy, too! Definitely one of our more intelligent interviewees, sexy Ms. Rock always does it for us – her enthusiastic and filthy performances make every one of her scenes more than worth a wank. It's little wonder that she has a constantly growing fanbase – of which you're one, by the sounds of things!

Dear Club DVD,
This is a bit of a strange question, but I've always wanted to work on a porn set and I wondered if you knew how I could get into it? My ideal job would be helping the female models get dressed or warming them up for the male porn stars. Any help would be appreciated.
Mitch, Via email

We thought you were serious for a moment there and were about to make some smart-arsed comment about why we'd be behind our desks if we could be 'warming up the models'!

The *Amazingly Educational* Club DVD Wordsearch

WIN A LOAD OF PORN*

TOSSARY

Bald Kitty – This term can refer to two things, a hairless cat or a freshly shaven pussy. We mean the latter, just in case you needed further explanation.

Beer Cock – Also known as 'whiskey dick', beer cock has happened to us all, and will no doubt happen again in the future. For those of you yet to emerge from under your rock, when you drink too much booze, your manhood often refuses to oblige you a fuck. Although, we're almost jealous of anyone who hasn't experienced it!

Typhlobasia – It seems to us, here at *Club DVD*, that if you can think of a fetish, someone already has it, no matter how bizarre it may seem to us, and typhlobasia is no exception. Meaning simply to kiss with your eyes closed, this contagious-sounding term sounds more like a killer virus to us… Or maybe it is! Run for your lives!

Mangry – We've all encountered those women who seem to have a rather pointy stick up their arse at all times, and the object of their ire? Men. And for no other obvious reason other than their gender. You may call them uptight bitches; we call them just plain mangry.

Fumilingus – Fumilingus is the 'art' of having a woman fart in your face, while you're going down on her. I've had the misfortune of experiencing this myself and it's really not nice. Or good manners. In fact, it's just plain rude!

Sugar Basin – Vertical smile, minge, flange, gash, cooze… Call them what you will – we call them sugar basins – they are our favourite things in the world!

Arachnephilia – Yep, this really does mean what you're thinking right now! As alien as it seems to us, arachnephilia sufferers really do get turned on by the thought/fantasy (or, indeed, the action) of playing with spiders. And not even women's spiders' legs, but the actual living, crawling, nightmarish beasties! Ugh!

Proctophallism – Also known as 'doing her up the wrong 'un', proctophallism is an old – and correct – term for anal sex. So, now you are properly informed, instead of asking the missus for a quick back scuttle, you can instead say, "Darling, would you be interested in partaking in a proctophallism tryst this fine night?" Or something.

David Copperfield – Picture the scene: You are fucking your bird in doggy style, and just before you think you're likely to cum, you make the relevant noises and spit on the small of her back, giving her the illusion (see where the magic lies?) that you've shot your seed. You have to time this carefully, now – when she turns around, you spray your jizz all over her surprised face! Performed correctly, it's magic that even Dave himself would be proud of.

Roman – As most of you will know, dear readers, the term 'Roman' refers to an orgy – unsurprising really, as the dirty buggers were at it morning, noon and night. And if you doubt our history knowledge, just watch *Caligula*…

Actirasty – Have you ever wondered why some people are slaves to the sun; the slightest hint of a blue sky and the clothes come off and the sun cream goes on? Well, they may be a typically hopeful Brit, or they may actually have sexual urges and fantasies about the sun's rays. Yes, you did read that right.

Some people, inexplicably, have strong sexual urges when they think about the sun's rays and feel aroused when they are in the sunshine. So, next time you're in the park on a summers' day, think twice about walking too close to the half naked, sunbathing man, who appears to have a sunhat over his privates, because you may end up seeing more then you could ever have wanted to…

*We had to give you a reason to spend time doing our very educational wordsearch, and here it is! **Find the term listed that is not included in the grid, and you could win some porno prizes!** Send your answer to *Club DVD* Wordsearch, PRP, 23 Lyon Road, Hersham, KT12 3PU. Competition ends on 16th May 2013, and the first name to be pulled out of the hat wins a goodie bag!

"Hey, shut the fuck up," she interjects. "Cherry is my real name! I'm not going to stand here and let you insult it. I didn't choose a corny, over-used porn name, I stuck with the one my parents gave me."

Apologies, but you've got to admit it does sound very porny.

"Well, I accept that. But it's not like I ended up being a glamour model and porn star because of my name. Not every guy called Dirk or Brock ends up being a stud. Actually, they do. Shit..."

She's So Cute 5

Watching tantalising teenagers break into porn has always been a fan favourite genre in the adult entertainment arena. In fact, these dirty debutants are responsible for fueling the fire of many erotic-driven fantasies. Perhaps it's the thought of their newly ripened pussies, freshly sprung boobies, or their budding sexuality that causes flagpoles to raise and cotton panties to dampen. This fantasy becomes exponentially more explosive once four sexy starlets are placed in a lavish Los Angeles home, ready to get their whistles blown and their pussies popped. Strolling the grounds in various stages of dress and undress, their anticipation for scoring in the big leagues is palpable. With racks of colorful undergarments and the buzzing sound of cell phones and girlish giggles, these scintillating sophomores can't resist picking out sexy clothing for one another.

This is precisely the scenario I walk into when first entering the set of director Eddie Powell's latest after school special for Digital Sin called *She's So Cute 5*. In this wall-to-wall production, Powell begins each scene with candid interview sessions before unleashing his students onto sexual professors for their private lessons in human anatomy. With unimaginable heat and novices that are sexually skilled beyond their years, you won't be able to contain yourself once the first bald pussy is penetrated. In the ultimate display of sugar, spice and everything naughty, get ready to frost some very cute cupcakes!

Starring: Molly Bennett, Staci Silverstone, Katt Dylan, Vanessa Sixxx, Ramon Nomar, Mr. Pete, Mick Blue.

Directed By: Eddie Powell.

Available From: Digital Sin.

Staci Silverstone, an eighteen-year-old hottie, begins the show by lying on a bed wearing a pair of peach panties and a matching bra. Excited to speak to the handsome director about her budding porn career, which as of today is three months in the making, Staci flirts, "Being in front of a camera turns me on. I like being naked."

A natural in front of the lens, Staci's effervescent personality melts the screen, while her piercing blue

eyes give the type of sexual vulnerability that helped make Marilyn Monroe a star. Hanging on her every word, Mick Blue, her veteran cock-du-jour, is sitting on the sidelines with the look of lust in his eyes. Stroking his cock and nervously tapping his foot to the sight of her perfectly round breasts that have just escaped from her lacy bra, Mick is ready to play hardball with this beautiful ballerina.

Once her interview concludes, Staci calls Mick into action by luring him in with her pinky finger. Latching onto her nubile body like a second skin, this sexy snake slithers around her perky breasts, sampling the caps of her puffy nipples. "You're so fucking hot," he melts, continuing to feast on the goose bumps that shroud her stomach and inner thighs before eventually parking himself between the pink slit at her gooey centre. "I love my job," he mouths under his breath, eagerly going in for his first taste of her spirited poon pie.

"STACI DOES THE UNIMAGINABLE BY LITERALLY LOCKING HER LEGS BEHIND HER HEAD"

Instantly responding to the skillfulness of his tongue, Staci squirms across the patchwork quilt like a whore in heat. Just as his fingers begin to wiggle their way into her hot pocket, Staci does the unimaginable by literally locking her legs behind her head, enabling her to capitalise on the sensation of Mick's deep-rooted fingers. "Oh please go deeper," she pleads with a pouty face that makes her request impossible to refuse.

With her hole in full drip, Staci unlatches Mick's mouth from her muff and replants his penis into her pussy in missionary position. Resuming her role as the human pretzel, Staci throws her legs back for the second time, allowing Mick to fuck this spinner from root to tip. The action continues through several more arrangements, before Mick provides her with a yummy afternoon snack, a homemade milkshake.

Practically salivating at the mouth, Katt Dylan, a bubbly black beauty, can't wait to wrap her hands and lips around Ramon Nomar's Spanish sausage. A college student with aspirations of becoming a psychologist, Katt decides to get to the root of her human sexuality studies the moment Ramon enters her personal space.

Instantly lunging toward the hot stud, Katt places Ramon's huge hands over her pink polka dot bra. "Play with me," she teases, tugging her pink panties up her deep slit until a camel toe display emerges. Unclasping her bra and sliding her wet panties down

her dark brown stems, Ramon has fun squishing her chocolate-coloured nipples and clit between his fingertips. “You like that?” he smolders in a sexy Spanish accent that makes her swoon. Shaking her head yes, he continues to excavate her fresh curves, paying extra attention to pull apart her darkened pussy lips, revealing a super pink centre.

Now on her knees, Katt pulls Ramon’s candy cock out and begins to suck it like a lollipop. Using expert tongue movements and a twisting motion with her hands, Katt works her way around his pole like a seasoned slut. “Where’d you learn how to do that?” he continues, as his brown eyes begin rolling to the back of his head. Later it’s revealed that Katt once had sex in a mall parking lot, in front of the elevators. We’re guessing that this dirty birdie retained a skill or two during that daring interlude!

Once his pecker is perfectly polished, Katt hurdles onto his lap in cowgirl position. A natural at bucking her hips and tucking down to ride his hoagie hard, Katt doesn’t disappoint in this position. As she sways in a rhythmic S formation, her face begins to contort and her co-ed cooze begins to leak. Knowing that Katt is on the verve of clawing up his chest in a fit of orgasmic fervour, Ramon insists, “Show me your face when you cum!” After a couple more minutes, he gets his wish!

Meanwhile, Molly Bennett, a major draw for this production, is teasing the camera by flashing glimpses of her insanely perfect tits and her beefy pussy. Springing to life in front of Powell’s lens during her interview session, Molly is instantly likeable. “My first scene was a blowjob shoot for $400. I loved it. I’m still here,” she smiles, bending over on all fours to give a slutty butt wink to the camera.

While still configured in a doggie squat that accentuates her double bubble, she continues revealing sexual facts about herself. “I masturbate a lot. I can’t even count how many times I cum per day,” she continues to flirt. However, this time, her interview is cut short when Mr. Pete bursts onto the scene, unable to resist her ass for a second longer. Parking his face snugly between her butt cheeks, Mr. Pete uses his

> **“MR PETE YANKS HIS TONGUE FROM HER TIGHT SLIT AND PLANTS HIS PECKER UP HER VAGINA”**

tongue as a biscuit to sop up her yummy gravy.

Purring like a kitten, this pretty pussycat can't seem to get enough of his hardcore oral action. "I love it," she moans, eventually begging him for a piece of his cock. Happy to oblige, Mr. Pete yanks his tongue from the tight confines of her slit and replants his pecker up her vagina. Making great use of her thick ass, Mr. Pete squishes the two mounds together, causing an even tighter grip for his cock and balls. "You're a great piece of ass," he remarks, sinking his hands into the curvy flesh around her hips as he continues slipping his dick in and out.

After this display, Mr. Pete rests Molly on her back and inserts his fingers into her sopping wet honey hole. After a few moments, he expertly locates her G-Spot with his fingers and begins to manipulate it. In about thirty seconds, Molly begins squirting her pleasure, thanking Mr. Pete for fucking her so well. It's hot!

Once Molly dries up, Vanessa Sixxx, a former mainstream model, spreads her legs for Ramon Nomar. Also beginning on her hands and knees, Vanessa is extremely responsive when Ramon dives in to pleasure her holes with his tongue and with his tool. "I love performing and being naked," she continues, whilst still in the midst of her interview session with Powell. Once the handsome director leaves the two fuckers to their own devices, this sexy student mounts Ramon in reverse cowgirl position. Merely tugging her blue panties to the side, it becomes evident that Vanessa wants cock and couldn't be bothered with any unnecessary details and that includes removing her panties.

"JUST TO ENSURE THAT SHE KNOWS WHO'S IN CHARGE, RAMON STICKS A FINGER UP HER ASS"

While still attached at the groin, Vanessa spins herself around in cowgirl, her self-proclaimed favourite position. A spirited rider from start to finish, Vanessa barrels down on Ramon's sword, giving this experienced stud a run for his money. Just to ensure that she knows who's in charge, Ramon sticks a finger up her asshole, treating her as if she were his own personal pincushion. After much more rockin' and rollin' ensues, Ramon douses her teeth with dollops of his creamy paste. And, yes, this naughty newbie keeps her green sneakers on throughout!

Turned on from head to toe, I leave the set with a fresh pair of panties on and the realisation that I've just witnessed some insanely hot bouts of teenage entanglements. With a delicious array of pop tarts to choose from and plenty of big dick action, She's So Cute 5 will certainly put some wind in your sail. The only thing left to do is pick your favourite spinner and watch her roll around your pole!

CINDY

STRIPTEASER

If she hadn't given us so many obvious clues in these photos, we'd never have guessed that Cindy was such a huge anal sex addict. She's so slender, so softly spoken. But yep, it turns out that she lives for having dicks up her bum.

"Oh fuck yes," she gushes, working a toy into her tightest hole. "The first time I ever did it I just started cumming and squirting. Now I can't cum unless I have a dick up there –any size, any girth. I'm very popular on first dates when I whisper to blokes that I want them to do me in the ass."

We bet you are.

"Well, what are you waiting for? This toy is just warming me up, I need the real thing..."

KATIE

KATIE

We were introduced to Katie when a friend of a friend got a blowjob from her. He said, "without exaggeration, it's like getting a blowjob from Belladonna, Jeanna Fine and Bobbi Starr at the same time." Now, considering they are three of the finest babes to ever suck a dick, that's saying something. So we had to meet Katie. Katie, is it true?

"Well, I've been told so, yes. I copied techniques from porn films, and now I think I can suck any dick down all the way. The biggest I've had so far is 12 inches, and I could lick the balls at the same time. I'm just looking for a bigger one now to beat my personal best. But I like small dicks too – the cum is the same, whatever the size, and I love to swallow!"

Fancy test driving this Bentley?

Hi Samantha! We hear you've just returned from the AVN awards – many congrats on your win for Harmony's *Brooklyn Lee: Nymphomaniac!* How important was winning to you and where are you going to keep your award?

Thank you! Well, to me, being nominated was such a huge deal I really didn't even think about winning, it seemed like an impossibility. I was sat between my two friends Lexi Lowe and Dani Daniels and when the award came up on the screen it took me 10 seconds of staring at it before I reacted! I'm so happy, there are no words to describe how happy I am about it! I haven't actually got my trophy yet, apparently it takes a few months for the winners to receive their personal ones. I want to take it everywhere with me!

To those who don't know of Samantha Bentley, could you please describe your porn 'brand'?

My porn brand, I suppose, would be 'limitless'. I like to push boundaries in everything I do; I want to shock people; I want to keep people watching, whether my scene is super rough and almost violent, or incredibly passionate where I have a connection with the other performer, to the point where I forget I'm being filmed. I give my scenes everything I've got – I think that's important. I think the best compliment I've ever been given was when a fellow performer told me that she loves to watch me because I'm not like other performers.

> **"WE HAD 40 EXTRAS IN MASKS WATCHING THREE GUYS FUCK ME. IT WAS AMAZING!"**

What were you doing immediately before you dipped your toe in the murky world of porn?

I was a stripper, at university studying design. I hated uni, I changed courses a few times, to music and English lit. Then my boyfriend told me I should do porn, and I did the progression of solo girl to toys to girl/girl to boy/girl to everything else....

What was your worst non-adult job?

I worked in a bar for 5 minutes, a busy one in Camden. It was awful, I've never felt so degraded, which is funny that people say porn is degrading. I love what I do and I find it empowering. Being paid minimum wage to stand for 8 hours in beer-soaked shoes, while drunk city boys yell at you... That's fucking degrading.

Were you nervous your first time in front of the camera?

Yes, my first time was a solo girl masturbation video for a teen website. I was so shy, I refused to speak, my moans were minimal and it took a lot of prompting from the cameraman to get me to open my legs at all…

Have you done any interesting shoots lately?

As a matter of fact, I am just about to wrap up my first feature film for Harmony films, directed by their new director, Scarlett Revell. The movie is sort of my 'sexual awakening' as it were, I do some pole work in it, too, as I made sure Scarlett included everything I liked. I do my first DP in the movie, too. I was super-nervous! It was a masked ball setting, so we had 40

IN THE SAM!

Brit babe Samantha Bentley has had a meteoric rise to porn stardom, graduating from pole dancer to AVN award winner in a heady 12 months. She opens up to *Tamara Noon* about how she loves to be watched, her gangbang plans and just how to get her wet...

> **"I LOVE DEEP THROATING AND I LOVE IT WHEN SOMEONE MAKES ME SQUIRT, MY NEW FAVE IS DP!"**

extras in masks on-set watching three guys fuck me. It was amazing! I wanted more after they called cut!

Were you sexually active from a young age?
With girls I was, but in a very innocent way. I first had sex with a girl very, very young, to young to disclose I think, when I was in a tent in her garden. I remember it because it was my first orgasm and I liked it.

I lost my virginity to a guy at 16, he was in a band and it was a threesome with my friend, who was also a virgin. It was his lucky day I can tell you that! We are friends now and he still talks about it with pride!

What have you learned about sex – and yourself – from your adult career so far?
I have learnt a lot about my body; how to please myself, and others – both male and female – sexually. Doing porn has made me love to give – I love giving others pleasure.

What type of scenes do you enjoy the most?
Any type of scene with real chemistry… Nothing compares to when I click with another performer (or performers) sexually and the scene flows and I can truly enjoy the sex. Those are my favourite kind of scenes, and I'm lucky that I actually come across that quite often.

What's your favourite 'nasty' act?
I love deep-throating and I love it when someone makes me squirt, both of them give me a sense of satisfaction. I think my new favourite thing is DP, though, that is my novelty of the week.

Do you have any sexual fantasies that you haven't fulfilled yet, either on film or in your personal life?
I would like a gangbang with 10 or so guys, then I'm pretty sure I've done everything.

Is there anything you wouldn't do on film at the moment?
I think I've done it all now! Never say never. That's my motto.

Who, in your opinion, is the best shag in porn?
So far, Ian Tate – he was my first boy/girl scene and he's great, we have amazing chemistry and really good sex. I try to cum in all of my scenes – for myself and for the camera – and he makes that happen at least once in every scene I do with him. With girls, Lexi Lowe, Andy San Dimas, Aiden Ashley, Angell Summers, Angel Long and Alyssa Divine have all been note worthy scenes.

Have you always been a bit of an exhibitionist?
Yes, I'm a complete attention seeker. I love all eyes on me. It's the perfect job for sex and attention! Two of my favourite things!

What is good sex?
Passion, chemistry and trust. Those

This, gents, is a truly soaking wet pussy!

three ingredients make for amazing sex.

What do you think you're best at sexually?
I'm pretty good at eating pussy. I enjoy that!

How often do you masturbate?
At least once a day. Orgasms are good for your state of mind; keeping myself in a happy frame of mind is important.

What's the largest number of blokes you've fucked at one time?
Only three so far...

Honestly now, does size matter to you?
Not really, it definitely is about how you use it. Also there is such a thing as too big – really guys!

What is the most sensitive part of your body?
My neck and my feet.

What turns you on?
Having my neck kissed and bitten. Being rubbed slowly over my knickers. Soft stroking, foreplay that lasts until I'm begging to be fucked.

And what turns you off?
Sloppy kisses (there is nothing worse than someone that can't kiss), sweating, guys that sweat too much during sex and bad hygiene. I mean, come on, if I'm going down there make sure it smells ok – and that goes for boys and girls!

What do you look for in a prospective fuck (in either sex)?
With girls it's all about the attitude – some of the prettiest girls I've worked with have been the most horrible scenes because they just weren't into it. Guys... looks wise I like black hair, tall, ripped, covered in tattoos, neck, hands and full sleeves all preferable.

Are you dominant or submissive?
I'm submissive, completely.

Gritty gonzo or slick, glossy feature?
I'll take the feature for aesthetics and the gonzo for the gritty sex.

Were you a porn fan before you started out in the sex biz?
I had never watched a porn movie before I got into the business, but I read Jenna Jameson's book when I was about 15 and it taught me how to give head and give myself an orgasm – thanks Jenna! I was always fascinated by the idea of porn stars, it was always something I thought maybe it would be cool to be... One day.

And do you remember what the first porno you ever saw was?
Yes, it was me, in my first girl/girl movie. It was awful, shot in Budapest and no one spoke English.

If you were producing your own porn DVD, who would be in your fantasy cast?
Guys: James Deen, Manuel Ferrera, Ian Tate, Danny Mountain, Erik Everhard, Rocco Siffredi. Girls: Dani Daniels, Remy La Croix, Lily Carter, Lexi Lowe, Paige Turnah, Alyssa Divine, Tiffany Doll, Ash Hollywood, Andy San Dimas and me!

Do you like to have sex to music? If so, what kind do you like?
If I have sex to music, I like slow with a driving bass line, some Deftones, some slow dubstep, stuff like that.

What's the best way to get you off?
I cum hardest in reverse cowgirl, leaning back on the guy and having my pussy rubbed at the same time.

"I'LL TAKE THE FEATURE FOR THE AESTHETICS AND GONZO FOR THE GRITTY SEX"

Would you date a fan?
No, sorry. I think that would be super weird.

What is the weirdest or craziest thing a fan has done for or to you?
One guy had my name and the number 13 made into a custom shirt of his favourite hockey team and sent it to me from Canada, just to take a pic for him – it cost him a couple hundred dollars. That was pretty nuts, fucking awesome, but pretty crazy. I love that stuff, though, I fully encourage it, it makes me feel loved.

Who, out of all the 'celebrities' in the world, would you give anything to fuck?
Johnny Depp. Please and thank you.

Tell us about your blog and how you make it so refreshingly different?
It's not just porn, I write about whatever I'm thinking about. I like to think I have a certain way with words, as well, that make my blog more like a story than a list of things that have happened, like so many other blogs. *BadBentley.com* is my baby. I'm very proud of it.

"FOREPLAY, FOREPLAY, FOREPLAY! MAKE HER CRAZY WET BEFORE YOU EVEN THINK ABOUT FUCKING HER"

What do you do with yourself, other than shoot porn?
When I have time to breathe I really like hanging out at home with my dog and my family – how lame is that? It really is what I choose to do. I hardly get time with them at the moment, so I appreciate every second. I also love pole dancing and doing music, which I haven't done in a while. I really miss it.

What are you proudest of?
Everything. My AVN, my body of work with Harmony, my website, my extensive travel, all the hard work I put in. I'm proud of it all.

What inspires you?
The people I love.

What has been the most enjoyable job you've had so far in your adult career? And what made it so?
My first boy/girl scene. My first DP scene just for the sheer excitement and the nerves leading up to both of those landmark scenes. Shooting my first scene for Harmony, the one that won the AVN, it was my first trip and my first big budget film. Signing autographs at the Adult Entertainment Expo before AVN this year and meeting my fans.

What makes your movies special – why should a viewer choose to watch one of your movies over everything else on the shelves?
I give my scenes everything, I am so passionate about them, I WANT to be there, I want to do them and I want to make them the best. I think that makes them enjoyable to watch. I have a hunger for this.

Can you tell us something that your fans would be surprised to learn about you, please?
I'm probably the most antisocial person you will ever meet, outside of work. I don't enjoy going out, clubs, drinking etc. I like to stay in and watch movies with my dog.

What are your plans for the future?
When I am done in front of the camera, I plan on stepping behind it.

What's the best piece of sex advice that you can give to our male readers?
Foreplay. Foreplay. Foreplay. Make her crazy wet before you even think about fucking her. Trust me, she will be begging you for it.

And finally, how can our readers get in touch with you?
You can contact me through my website *www.badbentley.com*, but your best chance of a quick response is on twitter @bad_Bentley.

THE BOTTOM LINE!

Club DVD's Colin Noble settles for a bit of heavenly local action!

Bottoms Up!

I've been pretty fortunate recently and had a good recent run of trips abroad with work. It's always good to be able to tell my mates that I'm in LA, Paris or somewhere on a set, as they actually start to think I have an important job for a change, rather than viewing me, as they normally do, as a dosser who has the best job in the world! To be fair, they're kind of half-right, but either way I was a little disappointed when I was told the latest shoot I was to be sent on was about as local to the office as you could get. I mean, so much so I could probably have nipped out on a couple of extended lunchtimes to cover it but, of course, any truly professional person would have taken a good solid two days out of the office in order to do the job properly, right?

From: Harmony

Directed by: The Voyeur

Starring: Cathy Heaven, Angell Summers, Tiffany Kingston, Franki, Rebecca More, Jay Snakes, Danny D, Omar, Marc Rose.

This professional approach was instantly rewarded when I was sent an email detailing who was to be appearing in Harmony's latest anal extravaganza. Not only was I going to see the traffic stopping breasts of Tiffany Kingston, but also one of my personal favourites, Cathy Heaven. Now, I know I say this about a lot of women (I really do), but I think anyone would agree that Cathy is perhaps the definition of what an adult star should look like, i.e. long platinum blonde hair, perfect round tits and arse and the kind of full pout that literally begs for something to be inserted into it. Obviously, this is what was about to happen and knowing that Ms. Heaven was involved in the first shoot of the day, I made sure I was there nice and early.

I'm so familiar on the Harmony shoots these days that I barely get acknowledged, and I know that I'm probably a couple of visits away from being handed a camera! I'm glad it wasn't this shoot though, as I'm 100% sure I would not have been able to keep it steady as I saw Cathy Heaven teetering down the back alley in a tight red dress and impossibly high heels. Even less so when she was being stripped by the oil-covered 'workman' she had 'accidentally' encountered on her travels, with her long hair falling perfectly over her exposed breasts as the dress dropped. Not to mention the moment she first got on her knees and, without any warning, just took his full length to

"SOON HER ARSE BECAME THE PRIMARY FOCUS FOR EVERYTHING"

the back of her throat immediately and gazed up lovingly whilst she gagged on it. Yeah, I definitely need to leave this job to the true professionals!

Moving upstairs in the car maintenance garage where the shoot was taking place, Cathy then climbed a few rungs up a ladder, giving us all a great view of that perfect, firm arse of hers, which of course our hired cock dutifully stuck his face into, making her moans echo around the walls.

After some prolonged foreplay, the real action then started with Cathy mounting him on a workbench and as he pounded her pussy, she lay back rubbing her own clit to ensure that the echoes continued! Obviously, due to the theme of the film, he switched holes to her bum and bending her over began dipping his shaft in and out of it, as the cameras moved in for the closest angle possible (whilst I remained well back I may add!).

Soon her arse became the primary focus for everything, as two fingers were inserted inside as his tongue went to work on the interior of her cunt. By this time, the mascara was streaked across Cathy's face making her look (if this was at all possible) even sexier than before, as she urged him to get back inside her. I think my mind was urging him the same thing at the exact moment, if I'm being honest!

After another good ten minutes of anal hammering, the moment he was about to cum was almost frantic as Cathy quickly sunk back to her knees and craned her neck and open mouth up to his twitching cock, as he announced what was about to happen. We're sure she could have worked it out though.

Cathy Heaven is aptly named, as I'm sure that's exactly what he was in as he blew his whole wad across her expectant tongue and watched her smile and sigh in delight as she licked and swallowed it all down. As for me, I'd be more than happy for my mates to continue thinking I had an easy job if all 'local' shoots were like this!

SANDRA

Sandra has a bit of a thing about sex outdoors, so she took us on a tour of her local park to show us her favourite spot. The place near the lake. The secret shed. The big weeping willow. But is there any risk involved?

"Well, yes," she admits, "but that's half the fun. I've never been caught by the police, but I've had a few close scrapes. But there are certain places I fuck where I'm guaranteed an audience – some bloke lurking behind a tree, for example. I make sure I really put on a show for them!"

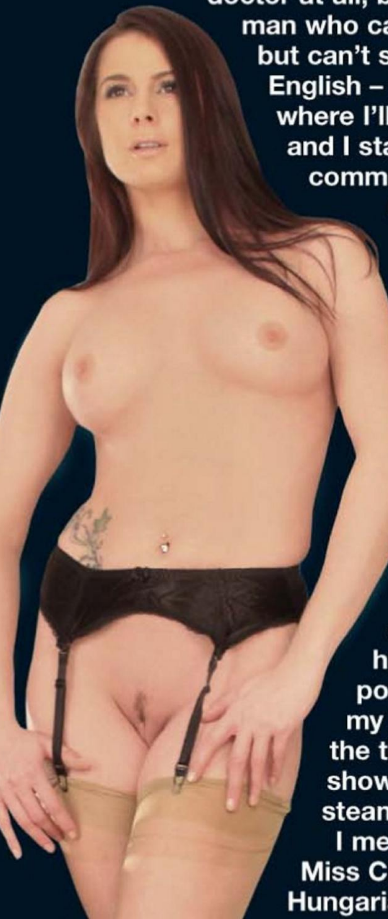
CURRIE ON...

BANGING I BUDAPEST

Our very own Karina Currie goes to Budapest, lezzes off with some of the finest Euro babes and lives to tell the tale...

Well, things are certainly looking a lot more slutty for me just lately, and just because I love you, I'm going to let you all know about my latest fuck fest adventure over in Budapest! I got a call from the highly revered Viv Thomas to star in one of his latest movies, *Lesbian Law*, and got my hot little arse over to Europe pronto!



Upon arriving, my driver – the Dr. who's not really a doctor at all, but a little old Hungarian man who can fix anything you need but can't speak a bloody word of English – takes me to the hotel where I'll be residing for the week and I start to settle in. Now, it's a common theme for most British babes to be late for shoots if they even turn up at all, so I was pretty shocked when I found out I was the first one to arrive and all by my lonesome until later that evening! This called for a bit of sightseeing and a pre-dinner strum in the shower before meeting the team at Viv's, and I have to congratulate the Ibis hotel on its very enjoyable power shower because my pussy was throbbing by the time I stepped out of the shower into the extremely steamy bathroom!

I met my first co-star, Miss Cindy Hope, a very cute Hungarian hottie that evening, and apart from the language barrier we seemed to connect quite well so things were on the up and up. Especially when we both went to the bathroom in the restaurant and had a good snog to warm things up before the shoot in the morning. After a good bit of wine and some well-needed sleep, my wake up call was not exactly what I needed at 7am! Jeez, these professionals are hardcore! I dragged my arse out of bed and decided against a morning wank, wanting to keep a bit of sexual tension tight between my legs and my pussy ached for some attention, which it no doubt got later that morning.

My part was that of the judge because of my 'posh accent' and, being the only English girl on the shoot, I had quite an important job of tying together the script work, but the other girls seemed to do pretty well all things considered. We started off with the usual hair and make up then up to my 'office' for the pictures before commencing with the fucking. And, I have to tell you, I was soaking wet by the time we got to actually get down to the pussy licking action.

Having Cindy's neat and sexy cunt right in front of my tongue during the picture set was too much to bear! I just wanted to feel her warmth inside as it wrapped around my fingers and tightened on my knuckles. And the smell of her sex was horny as fuck! As you can imagine, I was a very happy lady knowing I had two fuck scenes with this stunning girl and we got right into each other as soon as the camera started rolling and I have to admit it was hard to stop when the director said 'cut!'

After we wrapped for the day, Viv took us all for dinner at an amazing Korean restaurant where I had the best steak tartare, ever! Yes, I do like my meat and I needed some on this trip because all I was

> **"I WANTED TO FEEL HER WARMTH INSIDE AS IT WRAPPED AROUND MY FINGERS"**

Pictures courtesy of Viv Thomas

getting was pussy, pussy and more pussy!

My next scene was with a gorgeous Czech girl called Eufrat Mai, and for someone whose English was limited she did an amazing job with her script as well as an amazing job on me! We licked, sucked and finger fucked each other in a way that still leaves my pussy twitching for more as I'm writing this, so hopefully our chemistry together will be obvious in the movie because I really like this girl. Not only is she naturally stunning, she is also a total sweetheart and very genuine. I shall definitely be hooking up with her again in Switzerland when I shoot for the contacts she's passed on to me. Great girl.

> **"I GOT SOAKED DOWN BELOW AS SHE FINGERED MY HOLES AND LICKED MY CLIT"**

My next scene was once again with Cindy Hope and this time we played lovers, so we had a lot more sensuality in the scene, kissing and stroking each other's body, exploring every part and paying special attention to both sets of lips. Again, I got absolutely soaked down below as she fingered my holes and lapped at my clit, looking up at me in a very sexy way with her big brown eyes. I couldn't help myself and came all over her chin, which she didn't seem to mind at all!

Once our scenes were done, I got the luxury of chillaxing whilst the other scenes were shot, but how you're supposed to relax whilst beautiful girls are strewn about a fabulous luxury house fucking everywhere I'll never know! So I became a right old perv at this point and watched every single thing I could, storing the images in my mental wank bank for later that evening back in my hotel room.

My last day in Budapest was a day of sightseeing shots with my onscreen girlfriend Cindy. Talk about doing two birds with one dildo as I like to say! How fucking marvellous to be paid to go to some of the most beautiful spots in the city and look hot! Actually, it was bloody freezing, but me and my girl soon warmed up having lunch in a fab Hungarian place called Bali. One last trip to the loo together and a lingering kiss before wrapping the movie was the best way to end a whole load of banging in Budapest. Xxx

ANITA

Long time *Club DVD* favourite Anita Pearl has been in the magazine quite a few times. How does she do it?

"I make a lot of videos," she giggles. "And that seems to work with you guys. To be honest, I like posing for pictures, and the end results can be great with the right photographer, but it's in videos that I really get to express my sensuality. When you're posing for pics, you have to hold the pose and I'll be dying to stroke my nipples or finger my pussy. Once the video camera starts rolling, I never have to stop what I'm doing. In fact, the video is usually a lot better if I get carried away..."

KAITLIN

Kaitlin invited us into her back garden for this photoshoot. So, what happens back here? Barbecues? Growing potatoes?

"Well, barbecues, yes. But this is also my favourite place to have sex. What I love about it is that I've got neighbours on either side, but the fences, bushes and trees means they can't see over. So I can fuck outside at any time of day. Not that they don't know I'm doing it. I make sure I make a shitload of noise, squealing and cumming hard, so they can hear me but can't see me. I just hope they go inside and have a wank about what might be going on!"

CONFESSIONS

A NEAT F

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

I've always been 'anally tidy', as my fiancé Declan puts it. The 'anal' bit is another story, but when Josh, one of Declan's mates, was moaning about how cluttered his flat was, I agreed to help him with a sort-out – in return, he said he'd take us out for a curry.

Declan joked about me dressing like a French maid, but I just went for trackies over tight shorts and a vest top, which I stripped down to once I'd worked up a sweat. And going by the way I caught Josh looking at me, I doubt I could have given him a bigger boner if I had gone around in frilly knickers and stockings.

His place was a tip so I said we'd have to be ruthless. In fact, I was such a bossy mare that I only let him take a break when he offered to fetch us some beers. I hadn't eaten since breakfast so it only took two to get me tipsy, but that didn't make me any softer on him – just gobbier and less willing to listen when he begged me to let him keep some musty old tour T-shirt or novelty pint glass. In the bin they went! Meanwhile, he was ogling my tits, arse and legs, although he didn't try anything.

Things got awkward when I dived under the bed to see what horrors were lurking there, and I found his porn stash – a massive pile of mags. He said he'd had some of them since college. I tried to put them all in the recycling but he insisted on rescuing three of them, and I knew he wasn't going to back down on this one.

I said we should take another break – the reason being I wanted a look at the mags, because I was curious. So I sat with another beer, and flicked through them. No sticky pages as far as I could tell, but they were looking a bit tatty from overuse, especially certain sections. And I couldn't help noticing from these favourites that I was probably his type.

There was a bit of tension after that, but we channelled it into finishing the clearout – Josh got all manly and decisive, like he was trying to impress me with how much he was willing to chuck out. When Declan turned up, we were running the vacuum around the place "She's seen to your junk all day – no wonder you've lost your mess," Declan said. I reckoned he'd spent all afternoon thinking that one up.

By now, I was feeling so horny, I ran up to him and gave him a big hug and snog. His hands were all over my arse through my stretchy shorts, and Josh told him, "You are such a jammy bastard."

"C'mere," I said, wanting to give him a matey cuddle. I could blame it on the beer, but I don't think that's the only reason why one minute I had my arms around the two of them then the next I was necking with Josh. I thought Declan would go ballistic but when I looked, he was grinning to himself and rubbing his crotch through his trousers.

I went back to kissing Josh and soon felt Declan's hands on my body from behind, cupping my boobs then stroking down my hips to fondle my arse cheeks. Now Josh was playing with my tits, and as I felt Declan's hand move in between my thighs I clamped them around it, grinding as he moved his fingers to touch my pussy up through my shorts. This made me snog Josh even harder, reaming his mouth with my tongue, but then he pulled away, gasping for air, before bowing his head to suck my tits through my vest. I hiked it up to show the sports bra I was wearing under it – not the sexiest, but it undoes at the front, so he had fun unhooking it, kissing my titflesh as he exposed it, and feeding one nipple at a time into his mouth.

Declan had his hands down the back of my shorts now, groping my cheeks, but this left my pussy aching. I moved my hips until he got the message and pulled the shorts down to my knees, sliding a hand underneath to cup my labia. Even this left me frustrated, though – he deliberately pushed them together so he was only playing with my clit through them, and I could only spread as wide as my shorts could stretch.

Declan dropped to his knees and started licking me, finally letting my pussy lips part so he could finger my bud, and using his tongue around my

# of REAK!

hole before plunging it in. I squealed, and Josh took it as a plea to get even rougher with my tits, kneading them.

Declan loves to eat pussy – he could do it all night. But when Josh asked, "You gonna fuck her or can I?" Declan told him to wait. Declan was already rock hard from licking me, but I gave him a bit of a rub to be sure. And he wasn't going to rush it – he spent ages just playing the head of his cock all over the outside of my pussy and my clit, working me up until I reached back, grabbed it and touched it to my hole.

Even then he hesitated for a few moments. I'm sure I felt pre-cum trickle inside me from his tip though it may have been my own juices. Then he slid up my wet cunt in one smooth push.

He was fucking me while Josh's mouth mauled my tits, and I reached down feeling for Josh's cock. Once he realised what I was doing, he unzipped and dropped the combat shorts he had on. He had a nice solid prick on him – not as big as Declan's but a good handful. I wanked him and nuzzled my way down so I was stood bent over in between them, Declan ploughing in from behind, slow but deep, and me lapping at the crown of his best mate's bell-end.

Not the steadiest or comfiest of positions, so we moved it to the couch – it's just a two-seater so Josh stood at one end, with me now stark naked on all fours and Declan on his knees behind me. Josh was finding it difficult to keep in control, so I curled a few fingers around his root, gripping him tight, meaning he could thrust as hard as he wanted.

Usually when Declan does me from behind he likes to jizz inside me, to shove my cheeks tight together as he pushes in and feel it flood my tight-squeezed hole. Then he'll reach under me and give my clit a tickle, so I cum around his sensitive prick. I'll feel him twitching and shaking because it's almost too much for him to handle, but he doesn't want to pull out until my cunt has wrung every drop of spunk from his balls.

"HE PULLED OUT AND STARTED WANKING HIS COCK AGAINST MY ARSE CHEEKS"

But he can do that any time, of course. This time he wanted to give his mate a show, so he pulled out and started wanking his cock against the crease between the top of my arse-cheeks. It didn't take much of this kind of friction to get him spurting, so hard that I felt a few drops splash up as far as my shoulder blades. Most of it soaked the small of my back and then he tossed the last of it over my bum-cheeks, working it in with the hot head of his cock.

I was gobbling away at Josh's cock, which tasted moist and salty. He wasn't going to last much longer, so I let him slide out, my thumb pressed over the slit at his tip. "Pull my hair," I moaned. Not the kind of thing we'd normally do, but I was feeling dirty and this was something I'd seen in one of Josh's mags.

My hair was in a ponytail – practical for cleaning up, practical for your bloke to hang on to! Even though it was my idea, Declan was scared of hurting me so he did it slowly and gently, but it arched my head up just enough that when I 'uncorked' Josh's prick and gave it a good wanking, he sprayed his load all over my face to drip down my neck and on to my tits too.

I got some in my mouth – he tasted different to Declan too, but nice enough – then I just rubbed it in all over my face and body for the boys to watch. Declan and I slumped on the couch, but Josh staggered into the bedroom, grabbed his three porn mags and made a big thing out of binning them in front of me. I asked was he sure he wouldn't regret slinging them, and he said that what I'd just put in his wank bank would do him fine for years to come.

I reckoned he needed more than that so once he was stiff again, I let him fuck me, missionary, while Declan played with my tits. Then I had him snap a picture on his phone, of his spunk dripping out of my stretched pussy – more than enough to get him off, I reckon!

NOKIA LUMIA 720

Nokia refuse to lose after being the nation's favourite phone for the large part of the last decade and are fighting back with their latest, more affordable, Windows 8 phone. They're beginning to understand that the days of love for their chunky, indestructible phones are gone and the new 720 is competitively sleek in comparison to the more advanced 920. More importantly, to attract back all those former middle-England Nokia lovers, they're going, "Hey look ladies it comes in loads of really nice colours too!" and as everything is now about accessorising, this could be a smart move. Also for the same demographic they've made sure there's a quality camera in there with Carl Zeiss optics and a 6.7MP sensor, so those Instagram photos of a ropey plate of pasta they've made will certainly look better than the food tastes.

Pros: Lightweight. Quality camera.
Cons: Screen basic in comparison to many phones on market.

APPLE IMAC 21.5IN

All of you ironic people complaining about, "I was promised my jetpack by the year 2000" etc. need to be quiet when you consider the design and capabilities of what you can buy in a huge Apple logoed box these days! I mean, look at this damn beautiful thing. Not only is the screen only 5mm thick, but the iMac itself contains a quad-core i7 chip and plenty of RAM. Of course, Apple-haters will claim there's more spec-heavy machines out there, but it's not about that, is it? Instead all loyalists will point to Mac OS X Mountain Lion that (pun intended) purrs along in a way that Windows 8 will ever struggle to, despite the power of the machines it's contained within. So, in short, it's buy something that you'll be happy to look at and interactive every damn minute or something that is better value but may annoy you from time to time. In this sense the former wins.

Pros: Incredible screen and design.
Cons: Speakers not the best.

PENTAX WG-3

The middle-class market of gadgets for 'outdoor' pursuits has never been bigger. You can pretty much sell any old rope (as well as specialised rope for mountain-climbing toffs of course) to aid those in pursuit of such activities. Therefore 'rugged' cameras aren't in short supply, however, this new one from Pentax may justify its purchase quite quickly due to the fact that it's typically waterproof, shockproof, crushproof etc. but also has a 16 MP backside illuminated sensor for faster performance and far better low-light results. Perfect if you're one of those maniacs who likes to engage in such ridiculously stressful things such as 'caving'. One model even contains GPS just in case you get lost whilst err… trying to get lost. Add in the fact that they've also added in 'anti-shake protection' and this camera may even be useful for more sensible bedroom-led pursuits also.

Pros: Full HD movie recording. 3inch LCD monitor.
Cons: Expensive.

SONY XPERIA TABLET Z

£TBC

Where once upon a time a tech-war would have been who had the softest eject action on a tape player, nowadays month to month, brands are making new game-changing announcements and mostly in the world of tablets. Sony's latest Xperia not only claims to be the lightest and smallest 10-inch tablet on the market, but also waterproof! Whether it's 'all' liquid-proof is perhaps the most crucial question though, if you know what we're saying? Anyway, this aside, it is razor-thin and almost 200g lighter than the iPad 4, so your one hand won't get too tired whilst holding it. It also boasts one of the widest colour spectrums of any tablet and Battery Stamina Mode so it's not going to leave you in times of extended need. The fact that it also has an 8MP rear-facing camera and all round decent spec makes this (finally) a true competitor to Apple's domination.

Pros: Great design and weight. Speakers placed well when held.
Cons: Currently running Android 4.1 (although upgrade to Jellybean announced).

PIONEER DDJ WEGO

Now here's something that's bound to aggravate not only vinyl turntable purists, but perhaps even CDJ purists (if they even exist) in so many ways. The latest in Pioneer's DJ controller series allows you to look like a 'proper' DJ despite you only having every Ministry Of Sound compilation CD ripped to your laptop. Pioneer are, of course, one of the leading DJ gear brands but they're definitely aiming this one at the wannabes, especially with the way it all lights up, making it an easy sell to those who are interested in style over substance. Using it, however, can feel a little cramped (a criticism that all aforementioned real DJs would point to) and as there's a lot of sharing and mode-switching you could easily have an embarrassing turntable stopping incident if going public! However, if you are proficient you can turn the two 'decks' into 4 and start adding accapellas over the top – if you're also one of those people with no taste in music and loves nothing more than a god-awful mash-up. But, hey maybe we're taking it all a little seriously – it's definitely a lot of fun, and one of the best out there!

Pros: Built in record option. Lots of useful features. Good Value.
Cons: Platter layout.

BRITISH COUGARS

(Private)

Where does a MILF end and a Cougar begin? We're fucked if we know, but we're definitely having a lot of fun 'researching' this thorny issue. And our own 'issue' is definitely involved as well. The blurb on this says that 'Great Britain is famous for afternoon tea and loose women'. Cheers. No mention of standing up against Hitler or our sense of humour? This slight aside, go ahead and enjoy Sarah Kelly, Sookie Blues, Valery Summer and others do some sex.

8/10

This is apparently set in the world of pornography. Well, we're sticklers for realism here and this depiction of porn life just isn't cutting it. When we wander down to the storeroom for a crafty fag or a crafty can of lager, we don't bump into Carla Cox taking on three dicks. We've never come across Sam Bentley having her tightest hole filled with knob in our warehouse. And we've even offered her some money to have that exact thing done. Still, by the end of the film we had less semen in our balls than when we started it, so make of that what you will.

AMERICAN GIRLS LOVE EURO COCK

(Private)

We all know that Americans girls like how British people speak. They think we're quaint and that we all know the Queen personally. But, it transpires, they like Europe as a whole, specifically the cocks of Europe. We'll be on the next flight over. US star Asa Akira is the main attraction here, putting her arse on the line in order to express her love of the Eurozone, and there's good work from Adrianna Luna, Mia Gold, Arian Austin and Presley Hart as well. Now, Yanks, let's have a shag, yeah?

YOUR HOT MOM

(Bluebird)

When we say *Your Hot Mom*, we don't mean Your Hot Mom. Your mom is a ponk. But the ones collected here on this cracker from Bluebird aren't. First up, the girls are actually proper MILFs, and when you've got the ever-popular and evergreen Tanya Tate heading up the cast, you can have few complaints. Superb support from Devon Lee as well, but watching Tate in action is actually 1000 times better than visiting the Tate Modern.

WEB NEWS

The page that will never go back to dial-up...

The hottest XXX from the world wide web

WWW.TWINROTIC.COM

There have been many twins in porn, and while the idea is alluring, it can be said with certainty that, because of the whole twin thing, the quality threshold on such pairings is usually lower than the porn standard. We'll tolerate ponks as long as they look alike.

The other very troubling issue is that of incest – do the girls share a dick, or each other? Well, these twins are at least fit, and while their site is in its infancy, if you want to see two foreign blonde twins go at each other with big dildos, let's just say we've found your site.

WWW.OLDJE.COM

Once you reach a certain age – let's say 40 – you realise you're never going to be shagging a whole lot of 20-year-olds anymore. Nope, you generally stick to your own age group, unless you're lucky. Lucky, or a porn star, that is. Because veteran studs get to dick the latest hotties all the time, which is annoying. Oldje has been running pretty much as long as the internet, and is the place to see 'greybeards', some approaching God's waiting room, fucking truly hot porn girls. A man of 74 fucking a 20-year-old? This is where the generation gap gets plugged.

WWW.RUBATEEN.COM

To this day, puerile minds dictate that, whenever someone mentions they've been for a massage, the jokes about 'happy finishes' are trotted out. Well, this also seems to be a thing with porn. There's more than one site dedicated to what happens when a massage gets out of hand, although they tend to be men massaging women and then deciding to fuck them, which is a bit creepy. The good thing about this site is that most of the girls are totally fresh, and you get access to the rest of the Team Skeet websites. Which rubs us up the right way.

Jokes. Or some things very, very like them...

A pianist was hired to play the soundtrack of his very first movie and he was extremely excited, so when the film was released, he asked the producer whereabouts he could see it. He was told, sheepishly, that the movie was actually a porno, but it was being premiered in a sex theatre in Soho a week later. Despite his embarrassment, the pianist went to see the flick – albeit with his collar up and a pair of sunglasses on. He slipped into the theatre and sank into a seat in the back row, next to a couple that also appeared to be in disguise. The film was worse than he had feared; there was group sex; scenes of bondage and degradation – there was even a dog being used in one bit! After a while, the pianist could stand it no longer and whispered to the couple, "I'm only here to listen to the music I composed!" The couple nodded, "Really? We're only here to see our dog."

Why do bunnies have soft sex? Because they have cotton balls.

……

How do you know when you're getting old? You start having dry dreams and wet farts.

……

Two lads snuck into the local farmer's garden and began to eat the fruit, until the farmer came out with a shotgun and caught them. The farmer says to them both, "Seeing as you both like fruit so much, go and pick 100 of whichever fruit you prefer and bring them back to me." Neither lad can believe their luck, so they both run off in separate directions to harvest their goodies. The first lad decides to pick grapes. He picks exactly 100 of them and carries them back to the farmer, as he'd been told. The farmer pointed his shotgun at the lad, "Now, stick them all up your arse." The scared lad did as he was told and started to stick the fruit up his bum. As he reached the 100 mark, despite being in some serious pain, he started to laugh. The farmer asked him what was so funny. The lad wiped his eyes, "Well, my friend decided to be clever and pick watermelons!"

……

Why is the area between a woman's boobs and hips called a waist? Because you could easily fit another pair of tits in there.

……

How many newspapers can a woman hold between her legs? One Post, two Globes, and many Times.

An older couple had been together for a few years and so decided to get married. On their wedding night, the lady turned to her groom and whispered, "When we make love please be gentle with me – I'm still a virgin." Her new husband was incredulous, "What do you mean you're a virgin?" He exclaimed, "You've been married three times!" The woman sighed and shook her head, "I know it seems impossible, but my first husband was a gynaecologist and all he wanted to do was look at it. My second was a psychiatrist and all he wanted to do was talk about it. And lastly, my third husband was a stamp collector and he wanted to do was… Oh, how I miss him!"

……

A husband came home from work one night, "Honey, I've invited a friend over for dinner. He'll be here in a minute." His wife went mad, "Are you joking? The house is a total mess, the dishes are overflowing in the sink, I haven't been shopping yet so we don't have any food in and I really don't feel like cooking tonight, anyway!" Her husband just nodded, "I know all that." His wife looked at him, "Then why have you invited him round, then?" Her husband shrugged, "Because the poor fucker's thinking about getting married."

Ask Em

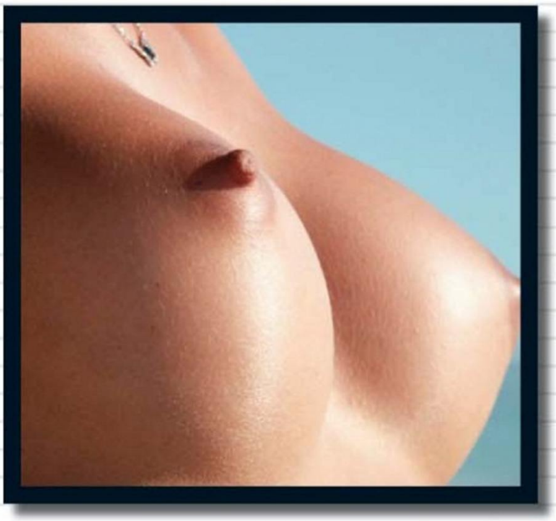
Our very own bondage queen just loves to be of service. And if she can't be there to fuck you in person, then at least she can help solve your saucy sexual dilemmas! So send 'em in and let Em at 'em...

Dear Em,
My fiancée and I have always had a normal sex life, but I don't know what's got into her in the last few months. She's got it into her head that she wants to try to fuck me up the bum, but I'm not gay and I'm not having a bird doing me like a bitch. I've told her to fuck off and that I'm not interested, but she still keeps on. She's starting to really do my head in and even though we've been together for years, I'm seriously thinking of binning her over it. What do you think?
Hacked Off, via email

You do know it's 2013, don't you, love? I'm just checking, 'cause you sound straight outta 1920s' redneck country. These days it's OK to want to experiment sexually, and enjoying a little anal prodding from time to time does the body good! The male G-spot is up there, too, in case you weren't aware, which is why being penetrated can be absolutely delicious for men.

Of course, by no means does every bloke get a kick out of it, and you may simply be one of those that genuinely don't. What I would suggest is to try and relax the next time your fiancée tries it on and see where it takes you. However, if the thought of any anal exploration still leaves you cold then why don't you try showing this letters page to her – I'm positive that she wouldn't want you to feel uncomfortable and pressured by her. Good luck, honey!

Dear Em,
Since my wife had our first child last year, she has begun to get hair around her nipples. At first they were quite thin and unnoticeable, but recently they've become blacker and harder to ignore and they are starting to turn me off her. I love my wife very dearly and do not want to become repulsed by her body hair, but I know this is a very sensitive subject, so I don't want to bring it up with her. Any advice you could offer would be gratefully received, Em. Thanks.
Mr. K. Ward, Tavistock



You're right about one thing, Mr Ward, and that is that it is most definitely a sensitive subject. The one thing that is called for here is tact! You could make light of the way we all grow hair out of unusual places as we age – if you make a few noises about you growing thicker strands from your ears or nose, she may well join in with her own hair issues. Because, my dear man, if you've noticed her nipple hair, you can guarantee that she definitely has, and she's probably more than a little embarrassed about it. As with all these relationship problems, the main thing is to keep the lines of communication open although in your case, sir, I would recommend extreme caution and subtlety.

Dear Em,
I find my girlfriend really attractive and I have since the day we met, nearly 8 years ago. The problem is that she has very low self-esteem (despite being beautiful), which extends to the bedroom. She rarely likes to have sex with the lights on – when she does, she's usually had quite a few drinks – and even then she will only have sex in missionary position.

I would love to make love while looking at my wife, but even if that didn't happen, a bit of variety once in a while (like her going on top) would at least keep things fresh and interesting. How can I inject a bit of sex appeal into my GF, Em, before things get too stale?
Dominic, West Lothian

Well, don't you sound like a nice, young man? You're right to think that if you get her self-esteem levels up, some of her inhibitions should, theoretically, follow. Making this happen may not be that quick, however, and it will take some work on your part – think wining, dining, complimenting and pampering your dearest like never before, and from now on treating her like she's the most important (if not only) person in your life. Eventually she should start believing you and her confidence should rise, and this should open her mind to pushing her boundaries. In the meantime, gently suggest having an afternoon quickie (when she can't make it dark), or incorporating a new position into your lovemaking (like lifting her legs onto your shoulders)?

Dear Em,

I need your advice, as everyone else seems to have turned their backs on me. I love my boyfriend loads but he keeps cheating on me, and I don't know what to do. I don't want to leave him because I know he loves me, but I keep giving him reasons to go off with other women. We've been going out for about 18 months now and he first cheated after only a couple of weeks. I found a text message on his phone and he admitted he'd slept with her but said sorry and promised not to do it again. Since then, he's been with 5 other girls that I know of and I suspect he's done it with at least 3 more. Every time I confront him, he says he's sorry and that he'll change, but then goes and does it again. What can I do?

Penny, Didsbury

Oh, Penny! You really have found a diamond, haven't you? I get so many letters like yours and each of them make me more infuriated and saddened, in turn. It doesn't matter if you're in a relationship with a man or woman, the cliché still stands; once a cheat, always a cheat – except for the occasional circumstance, that is. Please believe me when I say that if he's given you his word that he'd never be untrue again after being caught out and you find out he has been, things will never get any better.

Learn from the previous times this man has made a fool out of you and don't let him do it again – or you'll be the fool. Give him the elbow, have a night out with your girlies and snog as many fit blokes as you can. Sure, it won't mend a broken heart, but it'll make you feel pretty damned good in the process of healing!
